Lemon Grove Review

Vol. 9; No. 22 — LEMON GROVE, CALIFORNIA — THURSDAY, JANUARY 17, 1957 — 10¢ PER COPY

The Dimmer VIEW

By MAX GOODWIN

With a new corps of officers duly installed by the Lemon Grove Chamber of Commerce we can relax for another 12 months safe in the knowledge that our busines interests will be well looked after in 1957.

To prove that there will be more busines for the chamber to look after is indicated by the results of a survey conducted by Charles Kerch, he being a real estate analyst associated with the Curtis Coleman Associates.

Kerch said that he conducted a foot-traffic study in front of the Coronet 5 and 10 store on the same date (the middle Saturday in November) on two successive years. On November 19th., 1955, the foot-traffic count was 270 persons per hour. On November 17th., 1956, the count had increased to 501 persons per hour. Prognosticates Kerch: "It may almost double again by next November."

While we were in that end of town we listened patiently to a complaint that was aimed at the local postoffice. The complainant was a sweet, motherly lady of some 80 years of age who had been given a new post office box number when the present, modern box equipment was installed a few months back. She complained that the person assigned her previous number was not giving back all the mail that was rightfully hers. "He keeps my racing form," she grumbled.

Kiplinger Letter of recent date analyzes population growth in California and elsewhere. Florida, it shows, is the fastest growing state. Up 36 percent in the past six years. California is up only 27 percent. Percentage-wise California trails but people-wise it is different. Florida picked up one million population; California approximately three million.

Much of the increase comes from new babies. New babies are being born nationwide at the rate of per 1,000. In 1956 this hit the record total of 4 million.

Kiplinger breaks it down into advantages and disadvantages; increased costs and savings. Says he: Elementary school population will rise 30 percent by 1965; high school, 50 percent and SPENDING for schools will have to be DOUBLED just to catch up. This money must come from local taxes, says he, though he claims property taxes won't stand much more. These are so high, he says, that they now interefere with economic progress. Local income taxes, as well as local sales, excise and license taxes may be invoked to cover the cost, Kiplinger believes. Incidentally, a bright spot in the growth is church attendance, 60% of the people now belong to a church. Prewar it was 50% and in 1900 it was 36 percent. Looks like the preaching is better than school planning.

As a final note, I read in the daily papers the other week that a national poll indicates no organized resistance to the ever increasing tax load was uncovered. Because of this, the columnist reported, Congress would not take seriously any move to reduce federal taxes or federal spending.

I am certain the pollsters failed to reach this part of San

(Continued on Page 7)

Little Leaguers Hold First '57 Season Tryouts

Boys who are 12 years old or will be 12 years of age by August displayed their wares at the first 1957 season league tryouts last Saturday.

William Allen, Lemon Grove Little League president said the boys who aspire for team positions tried various phases of the game on that, the first of four Saturday afternoon sessions at the Junior High athletic field.

The four remaining Saturdays, January 19, 26th, February 2nd and 9th, will be given over to eleven year-olds, 10 year olds, 9 year-olds, and 8 year-olds, respectively. Practice time is 2:00 p.m.

After the last tryouts, rosters for the Yankees, Dodgers, Indians, Braves, Cubs and Tigers will be announced. The next league organization meeting is scheduled for Monday evening, February 4th, 7:30 p.m., San Miguel School auditorium.

DIMES MARCH ZIPS OPEN

Local Square Dance, Sports Events Boost Polio Fund Drive

Moving into high gear this week is the Lemon Grove-Spring Valley area drive for the March of Dimes Polio Fund. Concerted effort under the direction of general chairman W. B. Paul will be a benefit square dance staged by the Heartland Square Dance Association and a benefit basketball game between Helix and Grossmont High Schools.

The square dance is being participated in and sparked by the 32 member clubs given over to square dancing. The big dance will get under way at 8 o'clock Saturday night, January 26th at the Lemon Grove Junior High School cafetorium.

Mrs. Kathryn Richardson is serving as chairman for the dance, and veteran caller Clarence Montgomery has agreed to provide callers, and serve as master of ceremonies for the event. Music is to be provided by the several bands playing for the many clubs in the area, a public address system is to be set up, and an invitation has gone out to the general public to attend as spectators, even if some do not square dance. A door donation of 50c per person will be accepted, with all expenses to go to the polio fund. Since all services—everything is donated, all proceeds will go to the fund.

POLIO GAME SET

Coaches of the Helix and Grossmont High School basketball teams have agreed to turn the basketball game between the two schools, scheduled for Friday night, January 18th into a benefit game for the March of Dimes fund. Half-time ceremonies and a "blanket pitch" will swell the polio fund.

Last Friday and Saturday Teen Club members under the direction of Robert Sutton said gaily colored balloons on the business streets, and Saturday sales found the teen-agers completely sold out of more than four hundred balloons. Total collections resulting from the sale amounted to $134.64.

Jack Durham, aiding Paul in the over-all planning of polio fund activities in this area, sparked an audience solicitation stunt Saturday at the Grove Theater, and the Ace Drive-In Theater which made the fund $190 richer. Durham said that everyone connected with the campaign was grateful for the fine cooperation accorded by the managements of the two theaters in permitting the solicitation and for running the movie "trailers" about the March of Dimes.

On Wednesday, members of the Lemon Grove Kiwanis Club staged a door-to-door canvass of the Lemon Grove business district distributing pledge cards for polio fund donations. They reported excellent reception, and a surprising acceptance of the fact that the need for the funds to continue the battle against polio, the treatment of those already afflicted, and for Salk Vaccine inoculations is as great as it ever was. Several business men commented, as they signed the pledge cards, "We have polio on the run, and we don't want our efforts to cease now."

COFFEE BREAKS

Paul said today that it is too early to form any idea of the amount realized from the Coffee Party stunt staged Tuesday morning. Housewives throughout the area held coffee parties in their homes to which friends and neighbors had been invited to view a special March of Dimes program telecast over a San Diego station. At each small gathering a collection was taken up, with the hostess to turn in the amount realized to Paul to be later channeled into the county March of Dimes headquarters.

Schools in the area have participated in the fund campaign. Cards were distributed to the pupils to be taken home, filled out by parents and a contribution attached. No estimate of the amount realized from this source will be aveilable until later in the month when pupils are to return the cards to their teachers.

Paul and a host of helpers are preparing other events and activities to bring as much money to the fund before it closes on January 31st as possible.

Polio Benefit Program

March of Dimes Events scheduled in the Lemon Grove-Spring Valley area include:

Friday night, 7:00 p.m. Grossmont High School gymnasium. Helix-Grossmont Benefit Basketball game.

Saturday, January 19th, Annual Blue Crutch Sale on downtown streets.

Monday afternoon, January 28, Plaza area, Helix Junior High School band, benefit polio fund.

Tuesday evening, January 29th, Talent and Movie Star Show.

Thursday, January 31st, annual Mothers March of Dimes.

Polio Dance MC

MASTER OF CEREMONIES—Clarenece Montgomery, veteran square dance caller will serve as master of ceremonies at the big dance slated for Saturday night, January 26th at Lemon Grove Junior High School. All clubs in the area are joining forces to turn out a huge square dance crowd for the benefit of the March of Dimes polio fund.

THINGS DOIN' & BREWIN'
About Civic Center

By DICK HENDERSON

Regular and final meet of 1956 supervisors held last Monday, January 7, provided some surprises, ended at noon, 12:03 p.m., to be exact.

The surprise came at 11:45 a.m. when Supervisor Howell, Escondido's rep. on the board, jumped the gun and nominated DeGraff Austin for chairman of the board for 1957. Dave Bird, Lemon Grove's able and experienced rep., sat up with a jerk, put in a protest. Said it was the first time in 20 years that the outgoing board named the chairman for the incoming members, and this time the new man on the board, recently elected Robert Dent, should be given an opportunity to vote on the selection of chairman.

Bert McLees, county counsel, who guides the board through legal entanglements, was appealed to, said that the board could appoint the chairman at any time, seemed kinda hazy about the present instance. It has been the custom for many years to elect the chairman at the first meet of the new board, after formalities have been gone through with. The new board, with the newest member, really took over after 12 noon. Supervisor Dent, whose term started after 12 noon, was present during the morning, sat at the table between Robbins and Bird, had nothing to say and said it, silently.

Split Vote

The vote on Howell's motion was split, with Austin, Robbins, who had seconded Howell's motion, and Howell voting yes, Bird and Gibson voting no, loud and clear.

At the afternoon session, starting off the new board, first order of business was naming the chairman, and DeGraff Austin was named and on second vote Bird and Gibson voted for him, making it unanimous, peaceful and serene. The chairman doesn't get any more pay than do the other members of the board, has a lot of extra work but enjoys the prestige.

Matters set for hearing were disposed of in order, and at 11 Hearing of Resolution of Intention to construct a sanitary sewer system in Darryl St., et al, Lemon Grove, 1911 Act, requested by William L. Knowles, et al, was approved.

At 11:30 hearing on the petition of G. R. Dailey for reclassification from A-4(1) to M-2 of certain property in Mission Val-

(Continued on Page 6)

Board Weighs Teacher Hunt, Summer School

In action taken Monday evening, January 14, the Lemon Grove School Board authorized a recruitment tour east for S. K. Solleder, assistant superintendent. In view of the teacher shortage and the increased demands of enrollments in Southern California, local districts cannot rely upon San Diego Colleges to supply the number of teachers needed. Solleder anticipates securing twenty to thirty teachers for the new fall term during his late February tour of midwest colleges.

Other travel authorized included attendance during spring vacation in April of Mrs. Ada Krimsky, music supervisor, to the Western Music Educators National Conference in Pasadena and Mrs. Virginia Cornelius, art teacher, to the National Art Conference in Los Angeles.

In a report to the board, Solleder told of preliminary plans for a summer school which have been discussed. Possibilities are being explored, since state funds would be available for its operation and neighboring districts now operate a summer program. However, no official action has been taken to date. Elsewhere in his report he listed tentative plans for the Palm Avenue Junior High soon to be constructed here.

In other actions the board revised a transportation application in order to secure needed funds stricken from the budget by the tate last year; approved precincts and prelnct officers for the May school board election; approved fire insurance policies on the new maintenance building; and approved an additional $4,000 for completing work on the maintenance building not included in the contract. This work would be done by the maintenance staff here and will include fencing, painting, oiling,etc.

The board authorized Byron Ia Netzley, superintendent, to make an offer to Mrs. Emily Morse for the purchase of 7.9 acres of land adjacent to the Palm Avenue site. This land would be used for an elementary school in the future. The state has allocated funds now for its purchase.

Netzley reported that the new school's plans, now with the State Division of Architects,

TAXES THE KEY

SURVEY SHOWS LEANING TOWARD INCORPORATION

By RAY SPENCER

A study of Lemon Grove sentiment about incorporation, annexation, or maintaining a status quo indicates that residents hereabouts are interested in the price of pork chops.

They are not concerned with who will gain what in pursuit of any one of the three courses open to the area as a political entity. They don't give a tinker's cuss word about San Diego finances, city or county, they don't give a continental about who might be mayor under an incorporation move, who would be city councilman under annexation to San Diego or La Mesa.

All they want to know is what will their taxes be on their homes in the event the area is swallowed up by San Diego or La Mesa, or incorporated as a city.

They are not even concerned about their neighbor's tax bill. The prime discussion among residents centers around the repeatedly asked question, "What will the actual taxes be on MY property?"

In other words, they are not interested in the price of hogs in Los Angeles or Chicago stockyards—all they want to know is the effect any political moves will have on their own income, how will their own, individual financial and economic well being be shaped?

200 INQUIRIES MADE

More than 200 inquiries were made by a reporter and helpers for the LEMON GROVE REVIEW and SPRING VALLEY BULLETIN. Everyone of those queried, with three exceptions, ended or prefaced his or her remarks with "What will the taxes be on MY house?"

Home owners in Lemon Grove who said that they preferred incorporation of the area into a municipality numbered 114.

Those who preferred annexation to San Diego numbered 38; those who preferred annexation to La Mesa numbered 22; and those

(Continued on Page 10)

Annex Broadway to SD, Says Men's Club

A proposal that a four block wide strip, the full length of the business community with Broadway as centerline, be annexed to the city of San Diego was made at the Men's Club Friday.

The motion caried by a slim margin after Ray Purtee, local shoe retailer, said that urban services are needed in Lemon Grove right now and some form of government capable of administering the services must be acquired.

Presumably the Men's Club will set up committees to work out details and study effects and costs after the heat of the battle from which the proposal was born dies down.

Annexation of the four block wide strip would deliver to the city of San Diego the cream of Lemon Grove's tax base. Such a move could be brought to vote if a petition is successfully circulated with the boundaries shown.

Signatures must include 25% of the property owners representing 25% of the land value. The election would be restricted to voters of the newly formed district. A simple majority, or 51% of votes cast in favor of annexation would leave only the mechanics of the switchover to be worked out. Some city services would be available the day following the election.

The issue came to a head after considerable discussion, some of it heated, revolved around the community's lack of sidewalks, street lights, curbs, drainage, police protection and road repair facilities.

A. F. "Tony" Sonka said the city's (San Diego) report should be re-examined. (A study was made and delivered in a speech to the Men's Club late last year by Thomas W. Fletcher, assistant to S. D. city manager.)

Luther Hussey said he wondered idly what would happen if a business strip annexation was considered. Club's President Joseph Cannizzaro, who last week threatened to bolt the club and form a taxpayers' group, demanded that some action be taken, no matter what. "We have need for services here and now," he said.

Considerable discussion on the trip annexation followed with as many as four or five members talking for and against the issue at the same time.

Jean L. Vincenz, sincere and capable county director of public works is scheduled to speak this Friday. He may have to fight for a right to have his say if the meeting takes upon the same note it closed on. The meetings are held every Friday at Michael's.

Two Nearby Spots For Renewal Of Auto Registration

Business started picking up this week in offices and stations where vehicle registration renewal service could be had by motorists.

The Department of Motor Vehicles substation at 7787 University, La Mesa is the closest state office to which motorists residing in the Lemon Grove-Spring Valley area may go. It is open from 8 in the morning until 5 in the afternoon, Monday thru Friday, and until noon on Saturdays.

The branch of the First National Trust and Savings Bank at 5055 Federal Boulevard in San Diego is close by and a sub-station in the bank will accept renewal applications only when fees are presented with the regulation prepared statement cards for 1957.

Offiicals in the Department of Motor Vehicles urge motorists to make application and pay fees early in the month and avoid the rush and congestion in the final week before the renewal deadline of February 4th.

BLUE BIRDS AND CAMP FIRE GIRLS PEANUT SALE STARTS THIS WEEK

Door bells will start ringing tomorrow, (Jan. 18) at homes in Lemon Grove and throughout the county and nearly 3,000 Blue Birds and Camp Fire Girls will be in the peanut business as their annual peanut sale gets under way.

Heading the sale for this area is Frank Armstrong, 8320 Golden Avenue.

The young sales girls, ranging in age from 7 to 18, are out to sell 120,000 cans of peanuts by February 2, when the sale winds up.

The vacuum packed Virginia blanched peanuts in an attractive Camp Fire package will sell for 50 cents per can.

INSTALLATION—The Lemon Grove Kiwanis Club installed 1957 officers last week at an attractive ceremony at the Singing Hills Country Club.

Dr. Si Brumbaugh was installed as president by Ralph Clark, Kiwanis District 11 Lieutenant Governor. In the photo above are Dr. Brumbaugh, left, accepting the gavel of auhority from Dr. Robert Swenson, right, retiring president while Governor Clark looks on.

Flanking Governor Clark are Mmes. Brumbaugh and Swenson.

Also installed were Thad Butts, 1st vice president; Freeborn Cressy, 2nd vice president; Jack Dumas, treasurer and Sam Solleder, secretary.

—L. G. Camera Foto

OFFICERS CLUB TO ELECT

The nominating committee of the Foothills Retired Officers Club was elected last Tuesday night, when the club met for its regular dinner-meeting at Michaels Cafe, Lemon Grove. The slate of officers will be presented and elections held at the club's February meeting.

GOD AS LIFE DISCUSSED IN SUNDAY SERMON

The assurance that through spiritual understanding of God as divine Life we can enjoy strength and fredom will be brought out in all Christian Science church services Sunday.

Scriptural selections in the Lesson-Sermon on "Life" will include the following from John's Gospel (17:3), "And this is life eternal, that they might know thee the only true God, and Jesus Christ, whom thou hast sent."

Search For Early County Historical Data Continues

Edgar F. Hastings, former Supervisor from the First District, and Chairman of the Board for some 20 years ago, is on a still-hunt for early County history, confining his present search to Julian and vicinity.

Hastings present job is a part-time arrangement, he being Field Representative for San Diego Historical Socity, (Junipero Serra Museum). Ed is making some interesting discoveries anent the early history of San Diego County, starting with Julian.

He learned the name of the man who brought the first apple tree to Julian, says that there was a battle between the miners and the would-be settlers, as to filing on homesteads, and the miners had to map the territory, showing every prospect hole and shaft.

You know, of course, that Julian was the "capital" of this county in those days, and almost got a court house.

Hastings carries a tape recorder and a camera on his rounds, discovers various almost-forgotten facts about the County's early history. When his collected data is turned in, Ed says Jerry MacMullen will have a story to write. And be sure it will be a dandy, for Jerry, present Director of Serra Museum, knows his stuff reporter-wise, worked the Water Front for The Union for years. He and Ed Hastings make a fine team. Y'see, the County allotted $5,000 to the Museum for research of early history, a very wise move.

Particularly interesting is the history of America Newton, a capable colored woman who pioneered in Julian, nursed the sick, was on call for all in distress. Her memory is green among the tales told Hastings by the few survivors of the early days in Julian.

O.E.S. MEET SCHEDULED

A stated meeting of San Miguel Chapter No. 579, Order Of The Eastern Star, Wednesday, January 23rd, 8 p.m., at Membership Hall, 3140 Main St., Lemon Grove. Worthy Matron Mrs. David Fulton presiding.

VFW PLANS PITCH-TIL-YOU WIN HAM DINNER

Lemon Grove VFW Post 2082 plans a ham dinner at the Hall on Imperial Avenue. Cost of the dinner is $1.25 and guests will be encouraged to get second and even third helpings. Children may attend for 75c.

Date set for the dinner is Sunday, February 3, starting at noon, according to Laurier Busque, publicity chairman.

Davis Sees Bright Investment Future

John A. Davis, newly elected president of the Savings and Loan Associations of San Diego County is himself a bit awed by the phenomenal growth of this type of investment banking in this area. He pointed out that combined assets of the group during 1956 totalled more than $185,000,000.

The new association president, who is also president of the La Mesa-El Cajon Savings and Loan Association, eyed the growth of his own organization as an example of the expansion of savings and loan association business in the country. Davis related how his company started in 1946 in rented quarters with assets of about $60,000. In the intervening ten years the firm has expended its assets to a tidy 13½ million dolltrs and operates three offices in company-owned quarters.

And Davis is optomistic about the future, too. He feels that mild controls imposed by the federal government have acted as a deterrent to wild inflation, and that with construction maintaining a steady pace in 1956, the same favorable pattern can be expected in 1957.

The banker also feels that with inflation a continuing threat, people are taking a cauious look at their projected investments and putting their money in savings where safety is a paramount criterion.

ASSISTANCE GROUP FORMED BY AREA REPUBLICANS

Republican Associates, a volunteer group to assist existing GOP organizations in San Diego County, has been formed, it was announced last week. William K. "Bill" Shearer, 1956 Republican candidate for Assembly in the 77th District, was named executive director of the organization. He will also serve as San Diego County precinct director for the Republican Central Committee.

Shearer's appointment received the approval of both the County Central Committee and United Republican Finance Committee. Directors of the Associates include members of both groups.

Shearer said that Republican Associates will assist both the Central and Finance Committees financially and otherwise. He said the first task of the group will be the development of a permanent precinct organization for the Republican Party. Shearer said he believes the Associates will help co-ordinate party activities, and will supplement other party work. Associates will not compete with any existing party organization.

Shearer has been active in Republican Party politics since 1948, and received over 39,000 votes for Assembly in the 77th District last year. He is a former secretary to Congressman James B. Utt, a veteran, and a graduate of San Diego State College. He is married and lives at 7988 La Mesa Blvd., La Mesa.

Republican Associates headquarters are in the GOP offices at 1575 Sixth Ave., San Diego. Papers to register Associates as a non-profit corporation have been filed with the secretary of state, and the organizational meeting was held January 16.

CHRISTIAN SCIENTISTS ON CHURCH RADIO PROGRAM

LOS ANGELES (Special)—The Christian Science church will be represented on the nationwide "Church of the Air" program of the Columbia Broadcasting System Sunday, January 20. The program will be broadcast to Southern California listeners at 7:30 a.m. over radio station KNX. "God's Great Promise to Man" will be the title of the program. The speaker, Wilson M. Riley, is a Christian Science practitioner and teacher, and is also Christian Science Committeeman on Publication for Missouri.

Musical selections will be presented by soloists and a quartet.

LONG-TIME COUNTY EMPLOYEES HONORED

County employees, five in number, with 25 to 30 years each of service to the County, were honored by the Board of Supervisors Monday at the final meet of the Board for 1956.

Those awarded pins were Jas. H. Warner, Public Works Dept., and Bert Birdsell, Road Dept., each having put in 30 years' service.

Mrs. Ruth F. Ozmun, of the County Library staff and Mrs. Mary Ponce and Elmo L. Neel, of the County Hospital, each received 25-year pins.

Husband to wife after wedding: "Don't feel we have lost a daughter. Consider that we have gained a bathroom."

WILL STORE OPENS THIS WEEK

a new "Goodwill" Lemon Grove at 3844 is announced by Dr. ko, Executive Director Goodwill Industries of San iego County. The store will be branch of the county-wide religious non-profit social service institution whose headquarters are at 402 Fifth Street, San Diego. A committee headed by Vice Admiral John W. Roper made an intensive study of various locations in the county, recommened Lemon Grove, and the new store is now a reality.

Mrs. Grace Holland, a resident of Lemon Grove, will be the manager. Mr. Charles Spisak, Assistant Executive of the Goodwill Industries of San Diego County, will supervise the operations of the Lemon Grove store as well as the Goodwill stores at National City, El Cajon and Oceanside. Mr. Spisak and family have their home at 1680 Taft Avenue.

A local Goodwill Advisory Committee consisting of Dr. Frank Gigliotti, Chairman, Mr. Harry Griffen, Mr. Meyer Zung and Mr. Edwin J. Dunn has been formed.

At the same time Dr. Insko anounced the 21st. annual Goodwill Doll Show which will be held at the Goodwill Industries, 5th & "J" streets, Feb. 4-9, from 9:00 A.M. to 4:00 P.M. daily. Admission is free.

As usual the show will feature many outstanding private collections, as well as dolls donated to Goodwill and dressed by Mrs. Lydia Turnbaugh, who is in charge.

Collectors are invited to exhibit their dolls, and anyone wishing information, please contact Mrs. Lydia Turnbaugh, at BE 3-5157, not later than Jan. 30, the final date for entries.

Many New Car Innovations at SD Auto Show

Automobile dealers of the Lemon Grove and Spring Valley area are all excited over the San Diego International Auto Show which will open January 18.

They are excited not only because they will ring up the curtain on new models to sell, but they will see automobile manufacturing innovations about which they know little since they have not seen the new features as yet.

The show, sponsored by the San Diego Automobile Dealers Association, will hold forth in the Electric Building, Balboa Park, and the doors will be open from 10 in the morning until 11 o'clock in the evening through Wednesday, January 23. The show will be open on Sunday and admission is 90 cents.

Approximately 125 cars will be on display, representing more than 17 manufacturers, both domestic and foreign.

Home Makers Stage Novice Sewing Class

The Spring Valley Home Makers will meet today (Wednesday) at 1:30 p.m. in the Pals and Gals Clubhouse on Troy Street and will hold a beginner's sewing class. Such things as selecting the right kind of goods, laying out of patterns, dress fitting and simplified methods of sewing will be demonstrated.

All persons interested are cordially invited. The Home Makers are under the guidance of the county farm bureau and demonstrate all phases of homemaking. Refreshments will be served following the meeting.

On January 23 the county farm bureau will meet in Vista. Anyone in the area interested in attending may get further information by calling Mrs. Thelma Puterbaugh, HO 6-0114.

Baptist Church Music Director Arrives Just In Time to Undergo Surgery

Gilbert L. Jordan of Alamogordo, New Mexico, has been named education and music director of the First Baptist Church of Lemon Grove, it was announced last week by the Reverend Bob Rochelle, pastor. The same week he underwent surgery and is recuperating at a local hospital.

Jordan was with the musical department of the First Baptist Church in Alamagordo prior to coming to Lemon Grove. Pastor Rochelle said that the church plans a fully graded music program and will have four choirs.

Jordan, his wife Oleta and son Drue, nine years of age, have established a home at 7867 Lester Avenue.

During his stay in the hospital his wife will handle the church program.

Jr. Court of Catholic Daughters Of America to be Instituted At St. John of The Cross Church

About 65 teen-age girls will form the nucleus of a Junior Court of the Catholic Daughters of America on Sunday, January 27 at 2:00 p.m. in the Auditorium of St. John of the Cross Catholic Church in Lemon Grove.

This will be the third Junior Court in the San Diego area. The motto of the international organization, of which the Lemon Grove group will be a part, is "Be Useful". Its standard bears the words "To love God, to serve others, and to live nobly." To its members it offers companionship, opportunities for personal growth through a balanced activity program, and the stimulation of ideals. Encouragement is given to the habit of service.

In addition to the institution of the Junior Court, for which Mrs. Sally Zaharris of Los Angeles, State Junior Chairman, will be officer, the new members will be initiated and officers will be installed. Officers-elect are Elaine Bierly, President; Rita Piro, Vice-President; Sally Rosenlof, Secretary; and Judy Dyar, Reporter. The initiation and installation will be conducted by a group from Junior Court St. Margaret of Chula Vista.

Counselors will include Rev. Charles P. Young, assistant pastor of St. John's Church, Chaplain, and Mrs. Frank Rosiak and Mrs. Roy Williams, Grand Regent, respectively, of the sponsoring Court Teresa of Avilia. Officers of the Counsel are Mrs. A.H. Osterberg, Chairman; Mrs. D. J. Ferry, Vice Chairman; Mrs. Ray Stangl, Secretary, and Mrs. Tom Brown, Treasurer.

The Junior Court will hold regular meetings on the second Sunday of each month.

LEAGUE OF WOMEN VOTERS RECONVENES

The League of Women Voters will resume regular meetings after a holiday vacation each month and will examine the administration of public education in California.

The first meetings, held on Monday surveyed an aproach to the subject on the level of local school districts. The Foothills day unit met at th ehome of Mrs. F. O. Waters, 6326 Montezuma Road, and the evening Foothills unit met in the Fireside Room of La Mesa Junior High School.

Grossmont Hospital Stacks 'Em In; Beds At A Premium

The demand for beds in the Grossmont Hospital this week exceeded the number available, forcing the hospital administrators to rent extra beds, according to Mrs. Louisella Klaesson, senior clerk. Some of the patients were housed in the hallways, she said.

The hospital, opened approximately 17 months ago with 105 beds, has been operating with peak loads in excess of 80 per cent of occupancy since last July, she said.

The percentages by months in surgical have been: Aug. 90.17; Sept. 84.48; Oct. 88.81; Nov. 128.4. The December statistics have not been prepared as yet.

The demand in the medical-pediatric ward has been as follows: Aug. 81.80; Sept. 85.73; Oct. 86.15; Nov. 91.7.

Dr. William T. Soldman, chief of staff, recently told the hospital directors that hospital efficiency drops when the percentage of occupancy exceeds 77 per cent.

Mrs. Klaesson said that the hospital had to deny admission to five patients on Monday and five more on Tuesday. None was an emergency case, she said.

The hospital is now limiting its admissions to people who live in the district, with the exception of emergencies, she said. When possible, emergencies are moved to other hospitals as soon as the patient's condition permits, she said.

GEORGE A. SCOTT RENAMED TO RETAIL DRY GOODS POSTS

George A. Scott, president and general manager of Walker Scott Company was Tuesday renamed vice-president and a director of the National Retail Dry Goods Association.

The election took place at the national convention of that group held over the weekend in New York City.

Art Show Principal

SPRING VALLEY ARTIST—Phyllis Castro is hostess to visitors to her watercolor and oil painting art exhibition under way this month at the Stationers Corporation in downtown San Diego. In addition, she has a water color on display in the San Diego County Art Show at the Fine Arts Building in Balboa Park. Both shows run the balance of this month.

JAMES F. HEIM ON ARMY BOXING TEAM

FRANKFURT, Germany (Special)—PFC James F. Heim, son of Mr. and Mrs. J. J. Heim, 7955 Golden avenue, Lemon Grove, Calif., is a member of the 3d Armored Division's Combat Command A boxing team in Germany.

Heim is an instrument repairman in Company A of the division's 122d Ordnance Battalion. He entered the Army in July 1955 and arrived in Europe last May.

Heim is a graduate of St. Augustine High Schol in San Diego.

FIRST NATIONAL BANK PREXY AGAIN ON FEDERAL RESERVE BOARD

Anderson Borthwick, president of the First National Trust and Savings Bank of San Diego, has been reappointed to the Board of Directors of the Los Angeles Branch of the Federal Reserve Bank of San Francisco, it was announced yesterday by Jack Koop, Lemon Grove Branch Manager.

A member of the Board since 1953, Borthwick will begin his third two-year term immediately.

The duties of the five member Board include the responsibility of administering various monetary and credit policies throughout the southern half of the Twelfth District of The Federal Reserve System.

For many years prominent in Southern California civic affairs, Borthwick, at present, serves as president of the San Diego Harbor Commission, and as a member of the Board of Directors of the Pacific Telephone and Telegraph Company. He is active in YMCA, Convention and Tourist Bureau, San Diego Zoological Society, Fiesta del Pacifico, American Athletic Union, Kiwanis and other organizations as well.

LETTERS TO THE EDITOR

Dear Editor:

The Officers and Members of the San Miguel Council of the Knights of Columbus join me in extending to you and your staff our very sincere thanks and congratulations in token of the truly Christian and American spirit with which you devoted the entire front page of your REVIEW last week to the Christmas epoch of our world history.

You have done much to replace CHRIST in Christmas, which is so very needful in the modern day of our national life.

With best wishes for the New Year, I am

Very sincerely yours,
Rt. Rev. Msgr. F. A.Wekenman
Chaplain, San Miguel K. of C.
La Mesa, California

Area Camp Fire, Blue Bird Girls On Television Show

Six Camp Fire and Blue Bird Girls will take part in a Television show to be telecast over Channel 8, Saturday at two o'clock in the afternoon.

Nancy Lowes, Sandra Hodges, Sharon Weedman, and Linda Wright from the O Dako-So Ha Camp Fire unit and Cynthia Vogt and Gail McCollum from the Golden Blue Birds are the girls selected to appear on this entertaining Camp Fire and Blue Bird specialty show.

Mrs. Elsie Wright will steer the girls before the T-V cameras.

Foothills Secondary Council Plans Meet

Foothills Secondary Council, C. C. PTA will have as its guest speaker Mrs. J. Allen Hodges, Ninth District Secondary Progress Service chairman when it meets at the El Cajon Education Center. Gathering will get under way at 9 a.m. Thursday, January 17.

Mrs. Rue Shires conducts the business portion of the session after a coffee "brea" for the first 30 minutes.

El Cajon High School, Cajon Valley Junior High, and Greenfield Junior High units will serve as hosts.

In the afternoon, starting at 1 o'clock, Mrs. Hodges will preside over a meeting intended for all school principals and PTA presidents.

new Pillsbury Rx-304
helps fight all
four deadly diseases

TESTED AND PROVED ON 60,000 CALIFORNIA RABBITS
New Pillsbury B-304 is now available at our store. It's an entirely new kind of feed. A balanced ration that keeps rabbits growing *safely* to market while it checks coccidiosis; helps control mucoid enteritis, pasteurellosis and diarrhea. How? New B-304 delivers six times more antibiotic power than ever before available in standard rabbit growing feeds —plus sulfaquinoxaline and high-level vitamins.
Result: with new B-304 you can save more rabbits for market. And every rabbit saved will give you a bonu$ profit over your previous feeding program. Cut mortality. Get B-304 today.

On The
SIDELINES
with
Bob Turnbull

Around the coaching circles it is generally speculated that the tall Highlanders of Helix High School will cop this year's prep Metro League basketball crown. I agree! I agree IF they win every game and don't let down once. The morale chore is up to head coach Bob Devine. Pressing them will be Chula Vista's ever-improving Spartans. Next I pick El Cajon, Sweetwater, and Grossmont.

My thanks to Harry Monahan, St. Augustine representative, for the news coverage of that high school and his flooding the BULLETIN and REVIEW office with usable data. The only way we'll ever know the "personals" from schools and sites around town is to hear from you—general public!

The San Diego region of the Sports Car Club of America has asked the S. D. City Council for permission to hold sports car races at Montgomery Field on July 6 and 7. Studying the matter is City Manager O. W. Campbell. The annual Pomona sports car road race will be this Saturday and Sunday, January 18 and 19 at Pomona.

El Cajon baseball stars manager Hal Patchett recently stated that former Helix and State College pitcher Noel Mickelsen is rapidly becoming major league material. "Big" Noel, six foot six inches, is being promoted by the Milwaukee Braves and will get a tryout with Topeka's Western league team this spring. Mickelsen pitched for Baise's Northwest League team late last season and went on to compile a 12-7 record, helping that team win the flag.

On January 10 the Parents Guild of St. John of the Cross school held a meeting and gave out several athletic awards. Football ribbons were awarded to 20 fifth and sixth graders of the Pacific Coast League, and to 20 gridders of the seventh and eighth grades in the American League. Thirty six girls of the seventh and eighth grades received volleyball awards.

This Friday night Helix plays Grossmont at Grossmont in an important Metro League basketball game. Tip-off is set for 8:15 p.m. But more important is the fact that all "crowd money" will go into the "polio benefit." A worthy game for a worthy cause. A benefit ceremony will take place during halftime.

While my teeth are grit and my thoughts most unholy I'll have to state that "the NCAA will not soften its penalties against schools guilty of infraction of the recruiting rules." That just means the PCC will be kept in the "dark ages" for six or more years.

This Thursday through Sunday, 17-20, is the big $15,000 Caliente Open Golf Tournament. Names like Jack Fleck, Mike Siuchak and Jack Burke can be seen puttin' on the green.

Want to send a letter to the sports dep't of this paper? Don't hesitate! All ideas or news are welcome! Your statement is our command!

Friday Cage Scores

Paced by guard Bill Tellous and center Len Gibson, the San Diego Junior College Knights whacked visiting Long Beach City College Friday night, 86-69.

A speedy guard Friday night helped his fellow San Diego State College teammates score their first league wins in three attempts at the expense of the Long Beach State College 49ers, 79-69. High scorer for the Montezumans was forward Tony Pinkins with 14.

Grossmont tried a last ditch rally in the waning seconds of the game but couldn't muster enough scoring punch as they dropped a league tilt to Chula Vista, 41-38. High scorer for the Foothillers was guard Mike Bruce with 16 points.

A poor showing in the second half spelled defeat for the University of San Diego Pioneers. The Catholic hoop team was snowed under in the final two quarters by a powerful Coronado Merchants unit, 85-64. High scorer for the Pioneers was center Chuck Tomeczek with 16 points.

Fish Saved From Grossmont Drain

No less than 250 bass and blue gills were retrieved from Grossmont Reservoir at the last minute before the water was completely released from the basin, F. L. "Bud" Dell, superintendent for the Helix Irrigation District announced last week.

The fish were removed from the water by the use of nets and were transplanted to other reservoirs. The work was supervised by R. M. Levy, district board chairman.

Surprise of the operation was the fact that approximately 100 golden carp, weighing from six to twelve pounds, were taken from the lake. Dell stated they were probably grown up gold fish which wrangled off the hooks of poachers. He added they must have been used for bait over the span of years.

BOB TURNBULL

Hunters Turn To Fishing As Rains Wash Out Season

". . . and the rains came!" Although this famous quote from a famous tome is very timely for San Diego this last week, not everyone was happy with the downpour. Everybody agreed it was needed but for the closing day of the annual duck hunt, nary a sharpshooter appeared to bag their limits. Lake Henshaw, the last to close, kept most of their ducks in order and even had their water line rise an inch or two. The hunters lost out. So they did the only smart, outdoor thing to do. They went fishin'.

Conditioned by their ever watchful vigils in the duck blinds the hunters had no problem with rain while "castin' for the big ones." Their efforts were rewarded with large catches of red cod, groupers and chilipeppers. The rains didn't dampen the spirits and efforts of the sportsmen who grimly stood by their posts and yanked in some "good stories." The whale migration continued only a short distance outside the entrance to the harbor.

Highlanders Face 9 More Cage Tilts

Nine basketball tilts remain on the Helix High School prep schedule running to Thursday, February 21. Games after that will be SCIF-playoff battles.

Schedule:

Friday, January 18—Grossmont at Grossmont, 8:15.

Friday, January 25—Chula Vista, there, 8:15.

Tuesday, January 20—La Jolla, there 3:00.

Friday, February 1—Sweetwater, there, 8:15.

Tuesday, February 5—Pt. Loma, there, 3:00.

Friday, February 8—El Cajon at Grossmont, 8:15.

Monday, February 11—Grossmont at Grossmont, 8:15.

Friday, February 15 — Chula Vista at Grossmont, 8:15.

Thursday, February 21 — St. Augustine, there, 8:15.

TUESDAY TWINE TILTS

Last Tuesday's basketball contests saw either victories by a wide or very small margin. Like:

Spartans Humble Saints

Tied at halftime 31-all, the Chula Vista Spartans easily disposed of St. Augustine the second half to win, 68-54. High scorers for the Catholics were guard Tom Shalves with 25 points, and forward Ken Patrick, 11.

—3—

Aztec Frosh Victorious

Breaking loose for 20 second quarter points in a game with the Grossmont varsity, the S. D. State College freshman team ran over the Foothillers, 48-22. High scorer for State was Bob Triplett with 12.

—3—

Pioneers Surprise 49ers

Clinging desperately to a slim lead it held throughout the entire game, the University of San Diego Pioneers edged the Long Beach State 49ers, 81-77. High scorers for USD were Chuck Thomeszek 10, Lee Hammond 12, Carl Hendrickson 11, Ken Leslie 15, and Ken Kettrick 20.

—3—

Cal Western Outclassed

Oceanside Junior College had no problem in its lopsided victory over completely outmanned, outclassed Cal Western University. The final score was 102-51.

—3—

Highlanders Idle

Helix's Highlanders were idle for the day as they are preparing to buckle down to the tedious chore of defending their crown.

New Ivory Haul May Put Padres Near The Top

If money and baseball pitchers are as synonymous as they say then the San Diego Padres should be millionaires this year.

Thanks to the new pact with the Cleveland Indians this year's border nine should fare very well, especially with the desperately needed hurlers. Rumored heading for the Padre camp in a few months are the following prospects:

From the Mobile Southern Association will come Gene Lary and Bill Dailey. Lary is a sinkerball pitcher with a fine mixture. He pitched 19 wins and only seven losses. Dailey was 15-8 last year and is only 21 years old.

Cal McLish (former Padre) and Bud Daley will be given the opportunity to stay with Cleveland, along with ex-Padre Pete Mesa. If they don't quite crack one of the major league's top pitching staffs then they will be San Diego bound. Mexico will contribute Stan Pitula who pitched 15-4 for the American Association last year. Other good bets are Ed Gasque and Dolan Nichols.

HELIX GROANERS TOP LINCOLN HIGH MATMEN

Helix's Metro League grapplers won their third wrestling match in four starts Friday afternoon by soundly trouncing Lincoln High School, 38-8.

95Norm Block (H) pinned Ray Manuel (L), 3:53. 103—Marc Clark (H) pinned Ernie Meza (L), 4:43. 112—Dennis Clark (H) dec. Bud Munich (L) 3-0. 120—Ray Kygar (H) dec. Jim Moreno (L) 10-6. 127—George Hall (H) dec. Sam Cook (L), 7-1. 133—Bob Wilson (H) pinned Jerry Sisson (L) 3:47. 138—Bob Voight (H) dec. Bud Wilkerson (L) 7-1. 145—Ron Jones (L) pinned Ray Sly (H) 3:59. 154—Jim Tucker (L) dec. Paul Bush (H), 6-5. 165—Keith Havens (H) pinned Ted Goulovech (L) 5:00. 175—Jim Osborne (H) dec. Paul Stoner (L), 5-1. Heavyweight—Roy Bottin (H) dec. Jim Cox (L) 4-0.

Helix Smacks El Cajon, Take Metro League Lead

Helix's Highlanders garnered their 13th victory in 16 attempts Friday night at the expense of completely outmanned El Cajon, 72-52.

High scorer for the green wave was center Gail Barsotti, 22, forward John Cook, 18, and forward Gene Dennis, 10. Helix led all the way although the Braves made two late challenges once in the third and once in the fourth stanzas. The closest the Braves approached Helix was at 52-49.

Skiers sometimes reach a speed of 60 miles per hour. So do ambulances.

Helix Grappl... Drop Mat Ma...

Helix High Sch... unit was defeated ... the defending SC... champs, Kearny. Al... two schools split victories, ny won, 26-17 on "pins."

95—Frank Cantrell, Kearn, won by fall over Norman Block, Helix, in 2:40. 103—Marc Clark, Helix, dec. Willie Green, Kearny, 14-9. 112—Jerry Cunningham, Helix, won by fall over Don Leavy, Kearny, in 3:09. 120—Wayne Bell, Kearny, dec Ray Kygar, Helix, 8-5. 127—Johnny Nunez, Kearny, pinned George Hall, Helix, in 5:20. 133—Scott Boyd, Kearny, pinned Ray Sly, Helix, in 5:03. 138—Wayne Voight, Helix, dec. Charley Cartmill, Kearny, 2-0. 145—Clarence Mojado, Kearny, dec. Larry Hutton, Helix, 9-2. 154—Morris Akers, Kearney, pinned Paul Busch, Helix, 2:32. 165—Keith Havens, Helix, dec. Bill Inderwies, Kearny, 8-7. 175—Jim Osborne, Helix, dec. Bill Moreno, Kearny, 3-0. Heavyweight — Roy Bottini, Helix, pinned Bill Best, Kearny, 1:44.

PHEASANT GETS PLUCKED

Peoria, Ill. (Spcl)—An Indian from Tahlequah, Okla., named Young Pheasant, was standing at a bar holding $60 in his hand. A woman standing beside him grabbed the money and took refuge in the women's washroom. Police apprehended the woman and returned the money to Pheasant who will probably be more careful in the future.

LARKIN O. GARNER ON NAVY'S "DEEPFREEZE"

CHRISTCHURCH, New Zealand (Special)—Larkin O. Garner, boatswain's mate second class, USN, son of Mrs. D. M. Garner of Vista avenue, Lemon Grove, Calif., and husband of the former Miss America A. Dorr of San Diego, California, arrived at Christchurch, New Zealand in late November from Antarctica aboard the icebreaker USS Glacier.

After a brief stay at Christchurch the Glacier returned to "Operation Deepfreeze II"—the Antarctic expedition preparing for earth-science studies to begin in July 1957 in connection with the International Geophysical Year 1957-58.

HOT HAMBURGER — Pretty Linda Leech is an early sampler of an Anniversary Hamburger at Crown Drive In, 8251 Broadway. Lighted birthday candle signifies a full year of operation locally by owner Sid Zolot. Birthdates are Thursday, Friday and Saturday, January 17, 18 and 19.

Sid, who says he has dished out more than 50,000 hamburgers during the initial year, will give all hamburger fans a free sandwich if their birthday falls during the days of the celebration.

He will also give a free sandwich to each purchaser of a dollars worth (6 sandwiches).

Square Dance News

GIVE SQUARE LESSONS

Two classes in square dancing have been started in Spring Valley by the Country Cousins. Beginners are being given instructions at the Spring Valley Elementary School Mondays at 8 p.m.

Intermediate and advanced dancing class is on Thursday at the Lemon Avenue School in La Mesa at 8 p.m. Marvin Yates is the instructor.

HUFF'N PUFFERS

Frank Dyson was club caller for the Huff'n Puffers Square Dance Club when they met in the Spring Valley Community Center Hall Friday, January 4. Guest callers were Fay Miller and Art Riding. The hosts and hostesses were the outgoing board of officers.

The guest list included Henry and Joan Fenstermacher, Harold Steffer, Larry and Mary Archer.

Refreshments of gingerbread and whipped cream were enjoyed by all.

LARIATS

Last Wednesday was graduation night. Congratulations are in order for the fifty fine people whose perseverance now entitles them to all the benefits and pleasures of square dancing.

A good time was had by all with a host of guest callers, refreshments, and a very enjoyable demonstration of round dancing presented by the Rythm Rounders.

A beginners square dance is to begin January 16 at the La Mesa Junior High School. The class will be held Wednesday from 8 to 10 o'clock, and will be open for three weeks. Instructor will be Marion Ashton. Information can be secured by telephoning CO 4-6686, CY 5-0312, or HO 9-1766.

HAILS WRONG CAR

Raleigh, N.C. (Spcl.)—The next time Frank Snow thumbs a ride he'll be more careful. Snow, an escaped prisoner from a Halifax county prison camp road gang, flagged a car. The driver happened to be a deputy sheriff, who gave him a ride—back to the camp.

St. Philip's Church Names Representatives To Bishop's Committee

Six parish members of St. Phillips Protestant Episcopal Church will represent Lemon Grove at the 62nd annual diocesan convention which will be held in San Diego January 23rd and 24th.

It is anticipated that more than 750 delegates and hundreds of visitors will attend the two-day meeting of the Diocese of Los Angeles meeting here to consider church problems and actions for the coming year.

Delegates from Lemon Grove include John Emerick, John Laracy, and Richard Brach. Alternates are: George Durrell, Ralph Elliott, and A. Harry Beran. The Reverend J. Phillip Bartlett is rector of the Lemon Grove church.

St. Philip's Annual Church dinner was held last Tuesday evening with about seventy-five persons present. The following were electd to the Bishop's Committee: Senior Warden: A. B. McTear; Clerk, Iver M. Peterson and Treasurer, Miss Barbara Merit; also John Emerick, Archie Black, Jack Gowin, Charles Foster and Don Peterson.

There will be no meeting of the Woman's Auxiliary this month, because of the Episcopal Convention meetings conflicting with the date of the regular meeting. Several of the women from St. Philip's plan to attend the Woman's Auxiliary luncheon in Balboa Park on January 22.

ABOUT CIVIC CENTER
(Continued)

ley section. Approved by board.

(This concerns the gravel plant Daley owns at junction of Ward Road and freeway, soon to have an overhead crossing of the freeway. This will clear up the bottleneck occurring at that point each evening about 5 o'clock, which slows eastbound cars to a walk, causes lots of cussin'. It will be several months before the overhead facility is completed. Only one or two surveying crews have taken soundings, and at least six surveys are needed before the brass can decide.—D. H.)

At 12:03 p.m. the board adjourned for 1956.

Retiring Supervisor James Robbins spoke briefly, said he wanted to thank individually and collectively, members of the board for the pleasant associations of the past 12 years.

Elevator Service

Letter from CAO listing proposed improvements and additions to elevator service at Civic Center; stating that it is currently estimated the total cost for the project will be $135,000.00 and that after award of the contract it will take approximately 16 months to complete the job; recommending that the director of public works, with the superintendent of building and grounds, prepare an estimate of the cost of engineering services for the preparation of appropriate plans and specifications to accomplish the project, and submit a budget adjustment to the board to permit the work to go ahead. (Wow! It'd be cheaper to let the help walk up the steps. Some of the gals walk up twice each day to keep their figgers trim.—D. H.)

To Cost a Million $ MORE

Form of ordinance, prepared by county counsel, determining estimated cost of construction of courthouse and jail facility to be $7,433,105; and requiring the addition to said facility of quarters for the recorder, the probation officer, the veterans' service officer and the grand jury, at an additional cost of $1,309,230. (That comes pretty close to the $9 million mentioned previously.)

Letter from Spring Valley

Spring Valley Chamber of Commerce presented a plan similar to that used in Colorado for reducing the fire hazard in mountain areas by building up herds of goats to graze and keep down brush and weeds and letting Indians or honor camp prisoners herd them.

Road Matters

Re acquisition of rights of way; Road Survey No. 802, Grove St., Lemon Grove. Grant deed executed by Narciso S. Telles and Mary V. Telles. Payment of $600 to same. Grant deed executed by LaVerre C. Adams and Leone C. Adams. Payment of $500 to same.

Road Survey No. 1189—Palm St., Lemon Grove—Grant deed executed by Elwyn W. and Belma L. Middleton. Payment of $500 to them.

Widening of intersection of Eldora and Imperial. Deed of partial reconveyance executed by Continental Auxiliary Co., trustee.—D. H.

Temperamental Fowl Fouled Up By Flies; Studies Aimed At Soothing Ruffled Feathers

The war still goes on; and its not a cold war either - that battles against flies at the Glory Wyman Ranch, 8135 Mt. Vernon.

Neill Alexander and the San Diego Department of Public Health have teamed up in a continuing research to find a fly poison which will cut the fly nuisance to a minimum among the 3,000 -odd White Leghorn hens on the ranch. The flies are a menace to the egg-laying chores of the hens, and during summer months get so bad that production is seriously interferred with.

Arhtur Lee, an entomologist from the health department has ben working with Alexander to find out whether or not Malathion mixed into gypsum would cut down fly breeding.

In experiments concluded shortly before the first of the year the pair found that the chemical was effective. It seems that flies need moisture, warmth, and decaying organic matter for a best breeding situation. Take away anyone of the three basic conditions and the breding cycle is broken.

The experiments found that gypsum, impregnated with malathion worked because the gypsum quickly dried out the moisture in the chicken droppings and other atmospheric moisture, so fly reproductivity plummeted.

NOT DDT

Malathion is not a DDT derivative so it can be used without harmful results to the fowl. Most DDT fly killers are harmful to the birds.

Alexander declared this week, "I am building concrete blocks to place beneath each nest. The block will stick above the earth about three or four inches, and when used along with the malathion-gypsum spread, may further reduce the fly nuisance by cutting down even further on the moisture in the hen houses."

Lee will also resume experiments at the ranch in the spring, and it is hoped that even further progress can be attained which can be passed on to other chicken raisers in this area.

Alexander, who has a full time job besides managing a chicken ranch said that during the past several years he had witnessed the Wyman ranch lose money on egg production, or rather the lack of it, and started out to make a study of the reasons behind the unprofitable operation.

He studied every piece of literature he could find about chicken raising, visited other ranches, experimental farms, and so thoroughly grounded himself in chicken-raising lore that he found several serious mistakes in egg ranch management which had been made in the past.

BREAKS EVEN

Glory Wyman is Alexander's sister so she put him in charge of the ranch. During 1956 egg production was increased to a point where for the place will probably break even for the first time in several years.

Alexander said that he found that one of the worst deterrents to egg production was the fly menace.

Alexander explained that as the hens were pestered by flies in incrasing numbers as warm weather advanced each year, their production dropped.

The work by Alexander in fly study and by the public health entomologist, Lee will continue until they have found a combination of environment and chemurgy which will practically eliminate flies in hen houses.

Fred Ward Wins Cake Contest Among Golden Avenue Pops

Thirty-six fathers of Golden Avenue pupils entered the cake bake contest sponsored by the P-TA. The cakes were judged in two categories of box mix and "scratch" by Mrs. Byron Netzley, Mrs. R. L. Thurman and Mrs. Ted Doughty (a newly wed teacher) at the regular meeting last Thursday. In the "scratch" division Fred Ward won first place, Albert Denlinger, second and Cliff Gomes, third. In the box mix division George Tatum won first, George Mowreader, second and Johnny Thorp third. The first place cakes were sold for $1.50 and the second and third places for $1.00. The remaining cakes were used for refreshments. The program for this meeting brought forth the male square-dancers consisting of Byron Netzley, Kenneth Martinosky, Rush Rowley, Cliff Gomes, Frank Armstrong, Bob Thurman, Wiley Cornelius and Albert Lantz. Hoover High School boys' octet rendered several musical numbers. The bicycle education program was explained in detail and all children with bicycles in the second through fifth grade may participate. A written test of 100 true-false questions will be given during this month and a practice run will be given on Saturday January 26, 1957 at 9:00 a.m.

Over 200 parents were in attendance at this meeting.

BOTH ITURBIS TO APPEAR

The San Diego Symphony Orchestra Asociation has engaged Jose Iturbi as conductor, and his sister, Ampara Iturbi as piano soloist for Monday evening, Mar. 25th.

The engagement will be played at Russ Auditorium.

Netzley Sparks Plans For New L.G. School House

Superintendent Byron Netzley announced recently that plans are under way for a $300,000 - 10-room elementary school to be completed by September 1st. in Lemon Grove.

Netzley said the school, to be built at Palm Lane and Mt. Vernon St., can be expanded to a junior high school when enrollment figures make it desirable.

If you folks now living in a district with double sessions want better school house for your progeny (in which you have a vested interest,) better come over to Lemon Grove and establish your residence on a nice view lot, with sewer connections, and really begin to live in "the finest climate on Earth." D.H.

"You repeated words from my editorial at me, didn't you?—Editor.

Dimmer View

(Continued)

Diego county. There is hardly a meeting to which I go that complaints of high taxation are not heard. Somewhere, between the grass-roots complainants and governmental departments which spends the dough, the message is lost. Yet, we resist organizing into a sturdy group capable of saying in that the waste in tax-money spending must be eliminated. Politicians (who are organized) capitalize on our unwillingness to organize our voices against wanton waste of our tax money. They know they can get away with it.

BOARD WEIGHS TEACHER HUNT

(Continued from Page 1)

might be held up eight weeks while the department checks them. He and the board have both urged speed in the approval, since the time schedule here calls for the classrooms to be ready in the fall.

The board agreed to a request from the County that it be permitted to tie into the school water line for the Lemon Grove Youth Center. The board, however, indicated that the tie-in must carry a meter in order that he district be reimbursed.

The next meeting of the board will be Monday night, April 28, at 7:30 p.m.

L.G. Review Jan. 17, 1957.

NOTICE INVITING SEALED PROPOSALS

Pursuant to the provisions of the Improvement Act of 1911 and to Resolution Ordering Work adopted on January 7, 1957, by the Board of Supervisors of the County of San Diego ordering the work described in said Resolution,

NOTICE IS HEREBY GIVEN that said Board of Supervisors invites and will receive up to but not later than 11:45 o'clock a.m. of the 4th day of February, 1957, sealed proposals or bids for doing the work and improvement ordered in said Resolution, to wit: The construction of sewers, manholes and appurtenances in DARRYL STREET et al in LEMON GROVE, in the unincorporated area of the County of San Diego, Area No. 46.

Such bids will be received in the office of the Clerk of said Board of Supervisors, Room 308, City and County Administration Building, 1600 Pacific Highway, San Diego, California, and shall in open session of said Board of Supervisors be publicly opened, examined, and declared.

The Resolution of Intention adopted by said Board of Supervisors on December 4, 1956 is hereby referred to for a description of said work and improvement, the grades to which it is to be done, a description of the district to be assessed to pay the costs and expenses thereof, the bonds to be issued, and for all further particulars contained in said Resolution of Intention. Reference is hereby further made to the plans, drawings, typical cross-sections and specifications for said work on file as Document No. 202856 in the office of the Clerk of said Board of Supervisors, in accordance with which said work shall be done.

Copies of plans, forms of proposal, bonds, contract and specifications may be purchased at the office of Jean L. Vincenz, Engineer, 4005 Rosecrans, San Diego, California, for the sum of $8.00. Said payment is not refundable.

The said Board of Supervisors, in accordance with the provisions of the Labor Code of the State of California, has heretofore established the general prevailing rates of wages applicable to the work to be done, which rates are as follows:

Same scale as craft to which welding is incidental	
ANY CLASSIFICATION OMITTED HEREIN NOT LESS THAN	18.40

OVERTIME AND HOLIDAY WORK: Not less than one and one-half times the above rates of per diem wages. Holidays shall be those recognized in the collective bargaining agreement applicable to the particular craft, classification or type of workman employed on the project.

The said Board of Supervisors reserves the right to reject any or all bids, and to waive technical errors and discrepancies, if to do so seems to best serve the interests of the County of San Diego.

Bidders must satisfy themselves by personal examination of the location of the proposed work and by such other means as they may prefer as to the actual conditions and requirements of the work, and shall not at any time after submission of the bid or proposal dispute, complain, or assert that there was any misunderstanding in regard to the nature or amount of work to be done.

All proposals or bids offered shall be accompanied by a certified check payable to the order of the County of San Diego, or a bond, as is required by law, for an amount not less than ten percent (10%) of the aggregate of the proposal.

Dated: January 7, 1957.

HELEN KLECKNER
Clerk of the Board of Supervisors of the County of San Diego, Room 308, City and County Administration Building, 1600 Pacific Highway, San Diego, California.

L. G. Review Jan. 17 & 24, 1957

Throwin' The Bull

By Bob Turnbull

It's a Joke, Son! . . . These two cool cats were speeding down the street in their car when the driver noticed his door was slightly ajar. He slammed it shut. The bopster next to him turned to the driver and said, "Crazy man—who got in?"

—BT—

Altar Arrests! . . . Congrats to Donna Garfield and Al Jensen who recently returned from Yuma, Arizona, as man and wife. . . . Sharon Johnson will be the happy bride of Jack Mathis in February. Jack, like Donna, is a Helix grad. . . . Spring Valley and Lemon Grove will unite Marybell Easley and Blair Andrews in February, '58. The future bride is a Helix junior, the groom a senior. . . . Engaged are Sheila Morse and ex-Highlander Joe Flynn. . . . Los Angeles had the honor of marrying the gentleman who organized and led Helix's bagpipe band, John Floyd, and UCLA's Arleen Cornell.

—BT—

Feline Fads! . . . (This is sickening) but many dolls in the eastern cities munch through movies without the fear of calories. They chew dill pickles! . . . Many light headed steadies in Oregon go in for matched bleaches. . . . Florida gals sponsor "jinx dolls" of their opposing school before each game. Stick pins into them. (So does Helix, Grossmont and El Cajon from our district.) . . . (This is too much) but some Wisconsin teenage girls eat thickly sliced onion-and-orange sandwiches!

—BT—

News at Random! . . . Just this last Monday night the Helix Highlander choir sang up a storm while doing "I Hear Young America Singing" at the La Mesa elementary school. The two-hour show featured classical, modern and jazz music. . . . A 17-year-old blonde is fast becoming one of Helix's top mechanics. Lois Bradstreet is the only girl in the Industrial Arts Building, auto dep't. . . . Lemon Grove's Dennis Hopper recently had his option picked up by Warner Brothers for another year. He just finished up his portrayal of Napoleon in "The Story of Mankind." And speaking of Dennis, did you notice that Hedda Hopper picked him as one of the top three "Sloppiest Dressed" Hollywood actors? . . . Congrats to Don Maley and Carol Wilson who do good work in State College's musical "On the Town."

—BT—

Dis 'n Dat! . . . Jottings on a local record hi-fi store and teen-agers in Tijuana.

Ten thousand records are yours for the choosing at Lemon Grove's cool record and hi-fi store, 7921 Broadway. Owned by Leo Cochran and Frank McGrath, they feature popular, classical, semi-classical, LP's, jazz, progressive, rhythm and blues, western, hillbilly, children's and religious records. Five listening booths are in use. If you want a record—they've got it!

It is strongly rumored around the sheriff's dep't and with some temperance workers that approximately 3,000 southern California teenagers go to Tijuana (or at least into Mexico at the San Ysidro crossing) every month. With all the vice present in T-Town I'm just wondering how long the parents will stand for open borders at night.

NEW TRIBES—NEW NATION—County Y-Indian Guides program in Lemon Grove-Spring Valley-Casa de Oro area is booming with formation of a new nation this month. Ceremony of induction was held at Spring Valley Junior High School amid Indian pomp and ceremony. Induction team was from the Y-Indian Guide Iroquoise Nation.

Growth is so fast that a new nation was created as four new tribes were inducted. Nation is named Cheyenne. Cheyenne tribes include: Mohegans, Lemon Shawnee, Casa de Oro, and Ca-Grove; Paiutes, Spring Valley; yugas, Spring Valley. There are 64 tribes and four nations in the county.

Indian Guides offers a father-son program which starts at the six years of age level (first grade) and develops strong father-son social and recreation cooperation. Lemon Grove tribe is shown at the left side of the above photograph.

Taxpayers Battle Gag Rule On Public Meeting Procedure

The Mountain Valley Taxpayers Association, Spring Valley, took sharp issue with the El Cajon City Council in efforts by that municipal body to impose a gag rule on its sessions by fostering an ordinance which would exclude the public from its meetings.

S. R. Miller, chairman of the public relations committee of the taxpayers organization, reported that the last meeting of the association saw members instruct its officers to draft a strong letter of protest against this "latest effort to suppress public information."

The members also discussed at length the recently expressed decision of the American Bar Association to oppose federal aid to education. The concensus of the lawyers is that California taxpayers would be taxed more than the benefits which would be derived from any federal aid, a situation brought about by conditions under which federal aid would be granted.

Welfare Probers Exams Announced

An examination to fill positions of investigators in county welfare departments will be held on February 23, the Merit System Examining Agency announced.

Welfare investigators assist in locating absent fathers whose families are receiving funds under the aid to needy children program. They also investigate suspected cases of fraud involving recipients of other welfare funds.

Requirements include college graduation and one year of full-time paid experience in investigative work similar to that performed in welfare departments.

Applications and further details may be obtained from the county welfare department.

CUB PACK 315 TO SEE FILM ON PLANETS

The regular meeting of Cub Pack 315 will be held at La Mesa United Presbyterian Church Friday at 7:30 p.m. Invocation will be given by Rev. Rex E. Lawhead, Minister of the church. Flag ceremony will be conducted by Den 4, Mrs. Fenestermacher, Den Mother.

The theme of this month's Pack meeting is "Eyes in the Sky". All the Dens in the Pack have been studying stars and planets and learning about the observatories.

There will be a movie shown on Navy Photography and Science.

Survey Shows Leaning Toward Incorporation

(Continued from Page 1)

who preferred that the area remain just as is is, unincorporated, totalled 27. Those who would express no opinion or preference numbered 19, making a total of 220 persons who gave the time necessary to answer specific questions about the subject.

All of the homes selected were those belonging to persons who do not work in, or have jobs in business establishments in Lemon Grove. All but the three mentioned at the beginning of this article were concerned principally with how each move would influnce the size of the tax bill the head of the house received. All of the inquiries were made by way of a printed form, and all were signed with the general stipulation, "I hope you won't let this fall into the hands of a politician".

COMMON COUNCIL

Forty of those answering the questionnaire said that each civic group or service club in Lemon Grove should name a delegate to serve on a common council whose job it would be to explore the possibilities open to the area regarding its political future.

Nearly 80 of those questioned, 78, said that they had neither the time nor the inclination to attend public meetings about the matter; 92 felt that the business men, whom they all felt would be the most benefitted by any incorporation or annexation move, should put up the money to hire a paid, unbiased investigator whose job it would be to gather data, interrogate property owners, and make recommendations for the people to analyze.

Nearly two-thirds (148) felt that public meetings are a waste of time because there is so much talking at such meetings that is aimless or that is inspired by groups with "axes to grind".

The survey has been going on for two weeks, and will proceed until a fair sampling of public opinion is obtained

Grasshoppers, Lobsters Spark Family Uproar

The R. E. Cooks, 9022 Rosedale Drive, Spring Valley, are having a family argument—and of all things it's about lobsters.

Now let us hasten to say that it's a friendly enough family discussion, but Mrs. Cook is adamant in her belief that the rains washed up a lobster into the Cook front yard Thursday night.

"Kitty," that's Mrs. Cook's pet cat, came into the house dragging a small very red critter. Seems as how that Mrs. Cook had been watching a television program on which a small lobster had been found in a San Diego front yard.

"Kitty's" find and the object on the tv show looked pretty much alike. Both had long antenna-like feelers or front claws, a bulging rounded head, and both were bright red, as all good lobsters should be. Mrs. Cook complimented "Kitty" upon her find and expressed to herself wonderment over what heavy rainfall won't do.

Thing to do was to call the Spring Valley BULLETIN and the Lemon Grove REVIEW so friends and neighbors could learn about the lobster found in the Cook front yard.

About the time Mrs. Cook was at the telephone, Mr. Cook awoke from a sound sleep (he works nights) and caught the tail end of the conversation his spouse was having with a newspaper reporter.

In haste he called back to say that the critter Mrs. Cook was talking about was a huge grasshopper faded to a red color by the rains.

The reporter softly returned the telephone instrument to its cradle as the Cooks argued about lobsters and grasshoppers.

BUSINESS MEETING SCHEDULED BY LUTHERAN CHURCH

The Lemon Grove Lutheran Church will hold their annual business meeting and congregational potluck dinner this Sunday at 5:00 p.m.

The business meeting will be conducted for the last time by out-going president, Jim Paul, and will include the election of new officers for the next yar.

The men of the church have nearly completed the construction of the Sunday school addition and the approximate dedication date will be the first Sunday in March. The building has been done almost entirely by volunteer workers and the assistance of skilled members of the congregation.

AREA GIRL WINS TROPHY IN VISION CONTEST

Joyce Reese, daughter of Mr. and Mrs. Troy Reese, of 7834 Normal st., La Mesa, won a third place medal in the recent county-wide poster-essay contest, conducted jointly by the San Diego County Optometric society, and the Vision Conservation Institute, Dr. Calvin Nichol, sociey president announced. Joyce wrote a prize-winning essay.

Joyce, a tenth grader at Helix High School, received her bronze medal, and a certificate from Dr. Gertrude Ryder, of El Cajon, district representative of the Vision Conservation Institute at the recent dinner-meeting, held in San Diego.

Dr. Nicholl handled all arrangements for the contest at Helix High School, as in former years.

Hazlip's PHARMACY
7801 Broadway
Lemon Grove

ALL THIS AND DINNER, TOO—It was a whopping 4770 pounds of clothing collected by the Lemon Grove Intermediate school for Hungarian relief. Piles of bags stacked up eight-nine feet high after all the students made their contributions from home. Scene was marred only by loss of a sack lunch which one sixth grader, carried away by his own enthusiasm, lost in the two tons of clothing. It was never found.

Taking part in the sorting are intermediate school members of the student body. They are: Bob Vezza, 13, treasurer, 3970 Massachusetts; Karen Keeton, 13, president, 2990 Cypress; Janice Martin, 13, secretary, 1749 El Roy, and Molly Danielson, 13, vice president, 4003 Charles Street. —L. Williams Department Store To Observe Its Formal Opening

Friday is formal opening day for Williams Department store in Lemon Grove.

The newest of the soft goods stores in the area actually opened its doors five days before Christmas after a hectic period of preparation by Norman and Billie Kolkey, owners.

The Kolkeys, no novices to retail merchandising, had expected to open weeks instead of days before the actual Yuletide season, but delayed delivery of merchandise, equipment and store plant problems, and just plain short-houred days postponed the originally planned openings.

But Friday, the Kolkeys expect to make up for the absence of an opening fanfare when several visitors prizes such as an electric coffee maker and radio, and other items will go to visitors and especially to savers of Prudential stamps. No purchase is necessary and winner need not be present.

Many attractive price adjustments downward have been made to mark the event, which will finally mark completion of "opening preparations."

The store is operated as a partnership by Mr. and Mrs. Kolkey who were formally engaged in the giftware business in San Diego.

In fact Kolkey likes to think of himself as a "native" since he has lived in Southern California for 20 years.

Both partners in the business report excellent retail sales before Christmas, and a gratifying continuing post-holiday trade. Kolkey is of the opinion that name brand merchandise, good service, and hard work will get results from an appreciative area buying public.

Mother of Herbert and Walter Long Passes at 60

Laurine Long, 60, mother of Herbert and Walter Long, Lemon Grove Building contractors, died Tuesday at home following a lingering illness. She lived at 2948 Haller Street, San Diego.

She is also survived by Ruth M. Psaute of El Cajon and 7 grandchildren.

Funeral services are pending at Conrad Mortuary.

OSCAR CARLSON WINS TOASTMASTER'S COMPETITION

Finals of the annual club speech contest were held at the Mt. Helix Toastmasters Club last Wednesday night. The winner of the contest, Oscar Carlson, will represent the club in an area contest in February.

Mt. Helix Toastmasters meets each Wednesday evening at 7:00 p.m. at the Town House, in La Mesa. Members gather for the purpose of self-improvement thru improved speaking ability.

Baseball Luminaries To Head Jr. Hi P.-T.A. Program

All Schuss and Ralph Kiner will be speakers this week at the L. G. Junior High PTA meeting scheduled for Thursday at 7:30 in the cafetorium. They will discuss the need of today's youth for sport activities. Schuss is a popular sports broadcaster. Kiner is general manager of the Padres and home run record holder.

Dads will take part in the program following the business meeting by holding a fashion show.

All sports fans in the community are invited to attend this meeting and sports questions may be asked from the floor of the baseball headliners.

Hostesses will be home room mothers of 7-2; 7-3 and 7-4 classes.

At a recent meeting the Jr. High PTA heard reports on past and future activities. The group has 679 members according to president Mrs. Charles Taylor. The group also heard plans of the first of four childrens' concerts to be given January 19th. A District CCPT meeting is scheduled for January 28th at Education Center. Report was also given on dancing classes for 6th grade students.

CLASS TO BE HELD LOCALLY

The Women's Figure Control Class sponsored by the Grossmont Adult Education Program is starting its Spring semester Tuesday, January 22, at 9:30 a.m. at the Womans Clubhouse, 2810 Main Street.

The instructor is Mrs. Hedy Wolf who has been trained in Europe and has specialized in this kind of work for more than 20 years. The lessons are carefully planned for adults of all ages with particular emphasis on Posture, Muscletone, Reducing and Relaxation. Experience has proven that persons approaching middle-age are in special need of exercise. For further information call HO 6-4155.

CRUISING FOR CHRIST PROGRAM PLANNED BY BAPTIST CHURCHES

This Friday evening ladies of the Southern Baptist Churches throughout San Diego County will be "Cruising For Christ" at their annual Womans Missionary House Party which will be held at First Baptist Church of Lakeside. Many of the ladies and friends of the First Baptist, Lemon Grove attending will be wearing spanish costumes. A Spanish styled dinner will be served at seven o'clock. The program for the evening will be in the form of a pageant. After the program some of the ladies will retire for the evening and some will go home and return the next morning to hear the inspirational speaker at the breakfast hour. This house party is under the leadership of the Associational Womans Missionary President, Mrs. Bob G. Rochelle.

New, Revised Adult Classes To Be Offered

With the opening of the second semester on January 21st, Adult Education classes will be added to, revised, and enlarged. Among the changes and additions are:

A new evening class in Hospital Attendant Training will be opened.

The class in colored photography will be reorganized and will meet on Thursday instead of Wednesday as during the first semester.

The class in black and white photography will meet on Tuesdays instead of Wednesdays.

A course in the care and safe use of firearms, primarily intended for hunters will open with the advent of the new semester. It will meet on Tuesdays at Helix High School.

A new class in weaving, featuring color design will be started.

Three classes in beginning Spanish Language will be started during the coming semester.

Information about these classes can be obtained by telephoning HOpkins 6-4155, extension 21.

Pacific Bible Choir To Offer Local Program

The annual concert of the Pacific Bible College Choir will be presented Friday in the Skyline Wesleyan Methodist Church at 7:30 o'clock. The 35 voice choir under the direction of Jack Rains will present a two-hour presentation in Gospel melodies, Negro Spirituals, and popular hymns of the day.

A member of the Skyline Church, Jeanne Mason, Lomita Village, will sing in the choir on Friday night. Jeanne is a freshman at the Pacific Bible College.

Four hundred fifty seats are available to the public free. Music is arranged by Jack Rains, music Director at the Pacific Bible College. The Wesleyan Youth of the Church are arranging their program for the week in order to have 150 of their teens at this production.

Dr. Gleason and Dr. Haggard, President of the College will speak to the congregation following the Concert. Dr. Haggard recently returned from the near East and had a personal interview with Sigmund Rhee of Korea.

WASHINGTON SUMMARY by ED KOTERBA

SECRET TROOPS. Security forbids giving details, but the hottest troops ever trained in America are now overseas—ready for guerilla warfare anywhere in the world.

Insiders at the Pentagon say the men — far superior to the paratroopers of old — could have been thrown into action in Hungary in less time than it takes to drive from Washington, D.C. to New York . . .

GAS PRICES. Some solid congressional action may come of the recent hike in gasoline prices . . . An investigation was being seriously considered last week.

The big question is: "Why should gas firms increase their price three per cent when this country now enjoys the greatest gas and oil surplus in history?"

THE KNOWLAND CASE. The announced resignation from the Senate in 1958 by Minority Leader William Knowland took just about everybody by surprise . . . Most embarassed was Time magazine which came out with a cover story on the California Republican.

The Knowland statement came AFTER the magazine went to press . . .

MILITARY NOTES. An atomic aircraft carrier is expected to be authorized by Congress this year or next. Cost: $400 million . . .

More than 2,000 men are now being trained yearly to man atomic vessels of every type . . .

Submarines (presumably Russian) continue to jitter the Pentagon brass . . . The subs have been detected within 500 miles of our Atlantic coast . . .

FARM BRIEFS. Agriculture researchers at Beltsville, Md., have determined, after exhaustive tests, that prolonged noise from jet aircraft does NOT keep hogs from getting normally fat . . .

Secretary of Agriculture Ezra Benson may go to Europe this summer to promote sales of our surplus food . . .

Good Sign-of-the-times for farmers: Farm machinery firms are stepping up output about 10 per cent over a year ago . . .

Miscellany. Rep. Peter Frelinghuysen, New Jersey Republican, wants to repeal the 22nd amendment which limits Presidents to two terms . . . Congress is lukewarm to the idea, even though Mr. Eisenhower would like to have the limit lifted "as a matter of principle. . . "

It now appears that Congress will compromise on an increase of only one cent on 3c letter mail . . . The Postoffice Department wants a two-cent hike . . .

Val Peterson is quitting as federal civil defense director . . . His resignation may come even before this hits print . . .

WHAT'S FREE? Still the government's No. 1 "best seller" of all time is the 106-page booklet, "Infant Care." The tenth edition is now available, free. Write your congressman. Address: House of Representatives, Washington, D.C.

Boston U. Educator To Give Woman's Club Program

"Music in Browning" will be brought to Lemon Grove Women's Club by Mrs. Oliver Willard Pierce of the San Diego Browning Society in the clubhouse, January 25, at 1:30 p.m.

Following a talk by Mrs. Pierce, who was a graduate of the School of Expression in Boston University and taught there for fifteen years, Mrs. Pierce will be assisted on the program by Mrs. John Shaub with a musical setting of "Abt Vogler" composed by Mrs. Schaub. Two of Browning's songs will be sung by Diane Quint, member of Sigma Alpha Ota, a musical sorority. Miss Quint has written the lyrics to these songs, and will be accompanied at the piano by Mrs. Philip Bohnstedt.

A group of Browning Society members will be present to enjoy the program with the local club.
